

# EBAFOSA

Ecosystem Based Adaptation for  
Food Security Assembly

## EBAFOSA ACTIVE COUNTRIES

DECEMBER 2016 - JUNE 2017

### EBAFOSA BENIN

the inter-agency policy task force has been constituted with 20 ministerial level focal persons drawn from key ministries of agriculture, energy, environment, planning among others needed to establish EBA based, clean energy powered agro-industrial zones. Operational level actors also included to inform policy processes and enhance implementation - 23 EBAFOSA Benin Regional representatives, and 24 members of the Specialized Committees. The first meeting of the task force planned for end of July 2017 under joint sponsorship of the Ministry of Environment & Ministry of Agriculture. This meeting aimed at harmonizing views on the Task Force's response strategy, its functional organization and its official host. This will be the Ministry of Environment or the Ministry of Agriculture

- Ministry of Energy
- Ministry of Environment
- Ministry of Planning
- Ministry of Agriculture
